Seating is limited sign up early!

Our March Club Meeting

Linda Branniff, local historian and journalist, presented “Fashions in History.” Her presentation included photographs of prominent Dudley and Webster ladies as well as examples of many different clothing styles from the 1800’s to early 1900’s. We were able to see and learn about clothing women wore during these times, and how political movements and personal convictions influenced women’s fashion during these times.

The giving project was donations to the library for the purchase of non-fiction books for the young adult section. A book plate would be inserted in each book indicating the donation was made for the purchase by our DWC.

Thank you members for your generosity!
