#### Our April Club Meeting

"The Gift of Life" - Organ and Tissue Donation Informational - Kenny Laferriere, BSW, CTSB, of New England Organ Bank (NEOB) shared stories and information about how organ and tissue donation truly is "The Gift of Life". Many people are saved or their lives are improved through donation. One (1) donor can save or enhance the lives of as many as 50 people!

Did you know can become an organ donor, change or update your organ donor status by going to the Massachusetts Registry of Motor Vehicles website? And it's a no fee transaction. It's that simple!

Members generously donated personal care items and gift cards to our giving project: Southern Worcester County Educational Collaborative (S.W.C.E.C.) for use in the life skills training program at the Collaborative.

Thank you Ladies for your generosity!
