The 9th Annual Fashionista!

It was a great success!

We received many wonderful compliments on the day; our models had fun, our guests had fun, vendors did well. There were many comments from ladies looking forward to next year already! Photos of the event will soon be available on our website:

DudleyWomansClub.org.

Kudos to all who brought time and talent to make the event so successful!

Our March Club Meeting

Lindsay Charest, Director of Grants and Events at Barton Center for Diabetes Education with slides and stories, shared a history of Clara Barton, the Barton Center and the mission of the summer camps for boys and girls with diabetes.

Members were very generous in donating cash, which was matched by the club; to sponsor a need based summer camp scholarship for a local girl with type 1 diabetes.

Thank you members for your continued generosity!
